IMAGE CONSULTING & STYLING

What is Image Consulting?

Ever dreamed of a career that is simultaneously exciting and satisfying? A career in which you'll never stagnate due to its ever-changing notions and ever-growing variety of niche markets. A career through which you can use your knowledge to improve your own quality of life as well as that of others. Whether performed on a full or part time basis, from your home or a commercial office premises, image consulting offers you the unique opportunity to enjoy exactly all of these and so much more.

A Career at **any** age.

Image consultancy is one of the few professions offering more and more individuals the chance of earning a professional income both at a young age, as well as past the standard age of retirement. In fact, the majority of your clients might even fall in more or less the same age group as you, simply because people seem to relax and relate better with their peers the older they become.

Not just an image consultant

Image consulting is a career that allows you to start off small and gradually grow as you build your skills base at a pace that's right for you. Its versatile nature allows for it to easily link with many other careers and businesses, including beauty therapy, hairstyling, make-up artistry, fashion styling and retails, career counselling, life coaching, journalism and business mentoring amongst others. Many consultants build their business on a part-time, home-based model. And for many of these consultants the need to expand beyond this model never arises - even when they moved toward a more corporate image. Remember, this is your chance to make a change - not only in your own life, but also in those of so many others around you. Make it count.

Why choose us?

Since we make it our mission to constantly monitor and stay on top of the latest trends in the industry, students can expect course content and material that are up to date and equally interesting. An extensive range of top quality state-of-the-art product samples furthermore complements the course, for you to enjoy both at home and during your consultations.

Who qualifies?

You don't have to be a style guru nor fashionista to qualify for our course. Neither will we label you according to your age or gender. We do, however, advise that individuals enrolling in this course consider whether they truly enjoy working with people and have the willingness to learn. Ample positive energy rounded off with a touch of entrepreneurial skills will, of course, count in your favour.

What would a course in Image and Style Consulting be without some practical training? During these two days, we follow a more hands-on approach. Students will attend one of Alette Winckler's renown Master Classes and apply all their new found knowledge on this fun and jam packed day. Students are also given the chance to showcase their newly-learned skills as they shop for – and style – a volunteer of their choice.

DAY 11 - The Master Class

This is your super amazing practical master class day!

On this day you get the hands-on experience when you literally have your hands on (many) clients.

DAY 12 - Shopping

Learn to shop for a paying client (volunteer!). The consultant receives a task to style a volunteer of her choice in 3 different outfits. Principles taught during the first 11 days need to be applied. No actual money is spent.

About the Trainer

Aletté-Johanni Winckler is no stranger to the style and fashion industry. Over the past 11 years, her name and face have appeared multiple times on television, social media, in magazines as well as books. As a published author, motivational speaker, songwriter, television presenter, style consultant, wife to celebrity pop/worship artist Heinz Winckler, and mother of three boys and a girl, this stylish fashionista has proven herself to be a trend setting entrepreneur who will not stop spreading the passion she has for her career before the human race grasps the critical connection between inner and outer beauty.

Aletté is a social media influencer with more than 100k followers between Facebook, Instagram, Twitter and Pinterest. She loves using her platform to inspire, to speak life, to bring hope and spread sunshine. Big brands, such as Daniel Wellington, The Box Fashion, Compex.Sa, Bohemian Bali Boutique, Ally Mae, Airbase Airbrush Makeup and many other local salons and service providers, have asked her to co-lab with them.

As a Public Speaker, Aletté has led multiple speaking events. Her unique sense of humour, topics that touch on everyday reality, warm heartedness and capacity to spread positivity, make Aletté one of the most sought-after speakers in South Africa.

Although enrolled as a Journalism student, Aletté's passion for style started at a young age. But it was only after travelling with her husband through the USA, Japan, Canada and Europe, that her dream of making styling a career became more vivid. Aletté enrolled in a course at the then internationally acclaimed South African Image Company. Here she mastered the ins and outs of Style Analysis, Colour Analysis, Fashion Styling, Corporate Style, Wardrobe Recovery and Personal Shopping and received the qualification of Qualified Image Consultant and Stylist. But this was not enough for our determined boss-lady. In 2019 Aletté enrolled in the Certification Programme of the Association of Image Consultants International (or AICI)– a global organisation that sets and promotes the highest professional standards for image consultants in appearance, behaviour and communications. She did indeed receive her accreditation, making her the very first AICI Certified Image Consultant Trainer in South Africa!

With a professional qualification like this, Aletté was set to reach for the stars – and so she did.
